- 25X1 6. [] Comment. [] only trains []
 25X1 [] with artillery units of the 25th Tank Div were dispatched from
 25X1 Prenzlau to Beeskow on 15 March. Information in this report, however, tends
 25X1 to indicate that a total of 4 trains was dispatched to Beeskow. Only the
 shipment of 4 tanks of the 175th Tank Regt of the 25th Tank Div, which as
 entrained at 7:35 p.m., probably went to the Templin training grounds.
- 25X1 7. [] Comment. Troops observed on 18 March presumably were elements of the
 19th Gds Mech Div returning from exercises in the Letzling Hoath area. On
 22 March, source observed the return of units of the 3d Gds AAA Div from the
 training area of the reinforced 94th Gds Mtz Rifle Div. See Field Comment 3.
- 25X1 8. [] Comment. The entrained units were elements of the 6th Gds Mech Div, and
 included a unit of the 120th (?) AAA Regt from the homing pigeon station which,
 at 8 p.m. on 23 March, was entrained for exercises which subsequently started
 in the Mirow area.
- 25X1 9. [] Comment. Source is believed to have observed the following shipments:
- 12 March. A train with a unit of the 6th Gds Mech Div which returned from the
 exercise of the 25th Tank Div in the Mirow-Neuruppin area, at the Eberswalde
 railroad station;
- 25X1 [] which returned from
 Jueterbog with elements of the 120th (?) AAA Regt, at the Bernau railroad
 station.
- 16 March. At noon, presumably a shipment of the 63d AAA Div (US), at the
 Eberswalde railroad station;
 at 6 p.m. and 8 p.m., two shipments of elements of the 3d Engr Regt, at the
 Eberswalde railroad station. All shipments are fairly definitely believed to
 have gone to the Lieberose area for exercises of the 7th Gds Mech Div. The
 engineers probably returned to Eberswalde from Beeskow as late as 23 March.
- In the afternoon, two shipments of elements of the 71st Light Arty Brig (US),
 which also went to the abovementioned exercises, passing through the Eberswalde
 railroad station.
- 25X1 10. [] Comment. This shipment is believed to have gone to the Wustrow firing
 range toward Bad Doberan, rather than Warnemuende.
- 25X1 11. [] Comment. Source, at the four railroad stations mentioned, probably
 observed detraining of units of the Third Shock Army, who went to the
 exercise of the reinforced 94th Gds Mtz Rifle Div which started after
 17 March.
